Communication

We will be sending the Friday Notes out by email, from today. The Friday notes will also be available on the school Weebly site and posted outside the classrooms on the Bulletin Board.

Welcoming the Children to K1

For the first two weeks of the school year we will help the children adjust to K1. It is a very exciting time for the children as they learn the routines of K1. We will help the children adjust to the new classroom and build solid relationships with teachers. We will take the child on a tour to show them where the canteen, Thai classroom, K1 toilets and K1 playground is. We will help the children understand the routines of K1 and make them comfortable and happy in their new classroom. At home you can help your child adjust to K1 by talking to them about going to school, ask them questions about who their new teachers are, which friends they play with, where they go to play during recess, eat snack/lunch. At home you can read books about school and playing with friends, this will help the children understand that school is a friendly place and that they can do many fun things at school with their friends and teachers.

UOI (Unit of Inquiry)

We will start the 'School' unit on Monday 22nd August. More information about this unit and how it is taught will be given at Back to School Night.

Star of the Week (This child will be line leader for the week, and help the teacher with some jobs. They are also invited to bring something special from home during the week to show the other children). We will start the 'Star of the Week' on Monday 29th August 2016.

Please bring in Show and Tell **ONLY** if your child is Star of the Week.
